“Alexandru Ioan Cuza” Police Academy

**EBCG (European Business Conferences Group) organized the conference CyberCentral 2017 at 04-06 April, 2017, in Prague, Czech Republic.**

Romanian Association for Information Security Assurance was represented at this conference by Assoc.Prof.Dr. Ioan-Cosmin MIHAI – Vice President of RAISA. He organized a 3-hours long hands-on practical workshop entitled “Investigation of E-mail Based Attacks”. The topics of the workshop were the e-mail based attacks, e-mail protocols, e-mail headers analysis, and prevention measures.

The event CyberCentral 2017 provided an opportunity for both government and corporate representatives to learn how organizations can benefit from applying the best practices and resolve challenges facing their business today.
