

2017 European Security Conference

Ioan-Cosmin MIHAI
“Alexandru Ioan Cuza” Police Academy

ISEG, University of Lisbon organized the conference 2017 European Security Conference at 05-06 June, 2017, in Lisbon, Portugal. The conference theme for 2017 was Cybersecurity Analytics.

Romanian Association for Information Security Assurance was represented at this conference by Assoc.Prof.Dr. Ioan-Cosmin MIHAI – Vice President of RAISA. He presented the paper “Cybersecurity Challenges and Opportunities in 2017”.

The European Security Conference represents the European extension of the Annual Security Conference that has been held in Las Vegas (USA) for over a decade. The conference attracts experts in the field of cybersecurity and cybercrime from academia, government and industry.
